CIRCULAR

The eOffice application will soon be upgraded to version 7.X, introducing several new features and enhanced processes aimed at improving efficiency and productivity.

To ensure a smooth transition and to familiarize all users with the new functionalities, we have organized a training session. Details of the session are as follows:

Date: 2nd April 2024

Time: 10:00 am to 1:00 pm

Venue: PGI Auditorium

Your attendance and participation in this training session are crucial for a better understanding of the latest eOffice release and to ensure a seamless transition.

This issue with approval of the Medical Superintendent.
